Volunteering

Vice President - IT Manager

From 2023

High-Tech Upbringing Bureau (H.U.B Epitech)

- Workshop Management and Planning: Design and facilitation of programs for students from Ionis group schools (Epitech Digital School, Iseg, E-artsup), aimed at enhancing their skills in creative technologies.
- Technology Space Supervision: Responsible for maintaining and optimizing a space equipped with advanced equipment (3D printers, VR headsets, Arduino, Raspberry Pi) for digital creation and innovation activities.
- Leadership: Active participation in the association's strategy as Vice President, contributing to the direction of the H.U.B.'s educational and creative initiatives.

Ambassador Team Manager

From 2023

Epitech

- Team Supervision and Management: Recruitment and supervision of student ambassadors to support the admissions team and actively represent the school at events (fairs, open houses, immersion workshops).
- Event Coordination: Organization and strategic allocation of ambassadors for optimal presence.
- Visibility Strategy: Development of plans in partnership with communication and admissions teams to strengthen the school's visibility.
- Interdepartmental Collaboration: Joint work with communication and admissions departments to achieve recruitment objectives.
